All participants are required to sign and return this parent/student contract before being allowed to begin classes.

1. All students will be required to bring their own water bottle as our water fountain will be closed for use. Also a 3 ring binder in a designated KidCo bag.
2. All students will receive a no-touch thermometer check at the door. (If any student has a temperature of 100.4 degrees or higher they will not be able to participate in class that day.
3. All students are required to wear their masks at all times in the SPACE. When they arrive they will be given a designated place on the bench as well as the floor.
